OBJECTIVES

Seeking an entry-level position to begin my career in web development while improving my skills and making a significant contribution to the success of the company.

ABOUT ME

I am a 4th year graduating student and a passionate programmer. I believe that being a fast learner and performing many trials and errors is the key to completing any programming task. My hobbies are browsing Meme on social media, watching YouTube, and creating an app.

HOME TOWN

Santa Rosa City, Laguna

OTHERS

Facebook / Messenger
angheloamir
